

Summary of Development Charges

This pamphlet was prepared to reflect Essa Township Rates in effect as of June 22nd, 2023, in accordance with By-Law 2024-51 and O. Reg. 82/98. Additional Development Charges for County of Simcoe and School Board services have been incorporated into this pamphlet. Please refer to respective organizations and their respective by-laws for rates.

Statement of the Treasurer

As required under the Act, the Treasurer will provide a report to Council each year outlining the opening and closing balances of the Development Charges Reserve Funds and of the transactions relating to the Reserve Funds, along with other information required by Regulations. This statement will be available at the Township Office for review by the public.

Lands Subject to Development Charges

The development of all lands with the Township of Essa is subject to the terms of the By-law. Township-wide Uniform Charges are applied to all development in the Township for the following services:

- General Government
- Fire Services
- Public Works and Fleet
- Roads and Related
- Police Services
- Parks and Recreation
- Library Services

Additional Charges by service area are applicable for lands receiving or intended to receive municipal water and wastewater (sanitary sewer) services. These charges include:

- Angus Water Services
- Angus Sewer Service

- Township of Essa
- County of Simcoe
- Simcoe County District School Board
- Simcoe Muskoka Catholic District School Board

Rules for Determining Development Charges

Development Charges apply based on service area without regard to the services used by an individual applicant or development. Charges apply for development which requires the issuing of a building permit or approval under the Planning Act or Condominium Act. Some forms of development are exempt from Development Charges or are eligible for credits. Further rules are detailed in the By-Law, Act and Regulations.
