Bicycle Safety

Every bike ride begins with putting on a helmet. It's important to wear a helmet that fits correctly. Wearing a helmet while riding your bike is the law in Ontario for cyclists under 18. It's important to be safe while riding your bike. We have compiled a list of bike safety tips that should be followed to have a safe enjoyable ride.

- Always wear a helmet
- Wear bright clothing
- Make sure your bike has reflectors mounted on the front and back
- Ride a bike that fits
- If riding on the road, ride in a straight line on the right side of the road in the same direction as traffic
- Know the rules of the road
- If riding on the sidewalk, be mindful of pedestrians
- Walk your bike across streets and make sure you look all ways for traffic
- Ride in a straight line
- Use hand signals

Operation Brain Freeze

In 2021, the Township of Essa initiated its Operation Brain Freeze campaign to promote safe cycling etiquette, with a focus on the importance of wearing properly-fitted helmets.

Operation Brain Freeze is a well loved program that allows Municipal Law Enforcement Officers to interact with youth in our communities that practice safe cycling and wear properly fitted helmets. Youth that are "caught" by Officers are awarded a certificate, a voucher for a frozen treat, in addition to a bike safety booklet from the Ministry of Transportation.

In 2022, Essa expanded Operation Brain Freeze to include a monthly draw to award a prize. When youth are "caught" by Municipal Law Enforcement Officers, their name will also go into a monthly draw for the chance to win bicycle safety equipment!

Operation Brain Freeze runs from May 1 to September 31 each calendar year. We would like to wish all youth the best of luck in getting "caught", and remember - **CYCLE SAFELY!!**

Arts, Culture & Heritage

Building Origins

Thornton Community Centre

The Thornton Arena was built on land donated by the Stewart Family and the first artificial ice was installed in 1969. A fire in September 1973 led to a rebuild and reopening of a new Arena in the same spot in the fall of 1975.

Angus Recreation Centre

In 1972 Angus residents came together to fund raise for an Arena. With the clearing of trees and debris, hard work, holding dances, raffles and soliciting for funds, the doors to the Arena finally opened in September 1977.

Thornton Library

For many years, the Thornton Library operated out of the back of a local store. The current location of the Thornton Library opened in November 1997.

Angus Library

The current Angus branch building opened in 2011. The previous space was in use from 1967 to 2011.
